5 November 1952

MEMORANDUM FOR: Chief, WE
FROM : Deputy Director Central Intelligence
REFERENCE : IN 49583 (~~attached~~)

I mentioned this rumor when I was in Paris and I found there that the story was somewhat of an old "canard" which was well known [] I see that the ^{reference} ~~attached~~ cablegram has been repeated to Paris, and I think it is likely that they will comment on it. I shall be interested to know what we have in our files on []
